****EXTERNAL SENDER****

Dear Counsel,

Pursuant to the parties' recent meet and confers regarding privilege logs, please see the attached revised privilege log for Reynolds, and a corresponding chart of certain Reynolds email distribution lists. The previously provided Reynolds privilege log key still applies and has not been further revised.

Certain documents have been removed from Reynolds's privilege log as a result of the meet and confer process (or downgraded from withhold to redact) and were produced earlier today in the email below. Brian Ross's cover letter accompanying that production refers to this email at the end of the first paragraph.
